Commuter Trains					
commuter train from left_01_MS.wav	commuter train from left, long approach, two distinct bangs from track	00:01:19.076	MKH3040	2	96/24
commuter train from left_01_ORTF.wav	commuter train from left, long approach, two distinct bangs from track	00:01:19.076	MKH8090	2	96/24
commuter train from left_01_WideAB.wav	commuter train from left, long approach, two distinct bangs from track	00:01:19.076	MKH8040	2	96/24
commuter train from left_02_MS.wav	commuter train from left, accelerating in distance, whining engine, low rumble, windy, leaves falling to ground	00:01:40.333	MKH3040	2	96/24
commuter train from left_02_ORTF.wav	commuter train from left, accelerating in distance, whining engine, low rumble, windy, leaves falling to ground	00:01:40.333	MKH8090	2	96/24
commuter train from left_02_WideAB.wav	commuter train from left, accelerating in distance, whining engine, low rumble, windy, leaves falling to ground	00:01:40.333	MKH8040	2	96/24
commuter train from left_03_MS.wav	commuter train from left, long ascending, distant squeaks, howling engine, low rumble, decelerates during tail	00:02:31.838	MKH3040	2	96/24
commuter train from left_03_ORTF.wav	commuter train from left, long ascending, distant squeaks, howling engine, low rumble, decelerates during tail	00:02:31.838	MKH8090	2	96/24

commuter train from left_03_WideAB.wav	commuter train from left, long ascending, distant squeaks, howling engine, low rumble, decelerates during tail	00:02:31.838	MKH8040	2	96/24
commuter train from left_04_MS.wav	commuter train from left, rumble, bangs from wheels, decelerates in distance, long tail to river ambience, distant acoustic signals	00:03:13.954	MKH3040	2	96/24
commuter train from left_04_ORTF.wav	commuter train from left, rumble, bangs from wheels, decelerates in distance, long tail to river ambience, distant acoustic signals	00:03:13.954	MKH8090	2	96/24
commuter train from left_04_WideAB.wav	commuter train from left, rumble, bangs from wheels, decelerates in distance, long tail to river ambience, distant acoustic signals	00:03:13.954	MKH8040	2	96/24
commuter train from left_05_MS.wav	commuter train from left, night ambience with owl calls, hollow whooshes from train, rumble, decelerates in distance, decent river ambience	00:02:30.821	MKH3040	2	96/24
commuter train from left_05_ORTF.wav	commuter train from left, night ambience with owl calls, hollow whooshes from train, rumble, decelerates in distance, decent river ambience	00:02:30.821	MKH8090	2	96/24
commuter train from left_05_WideAB.wav	commuter train from left, night ambience with owl calls, hollow whooshes from train, rumble, decelerates in distance, decent river ambience	00:02:30.821	MKH8040	2	96/24
commuter train from left_08_MS.wav	commuter train from left, rumble in distance, medium speed, very low frequencies, long tail into nightly ambience	00:02:24.065	MKH3040	2	96/24
commuter train from left_08_ORTF.wav	commuter train from left, rumble in distance, medium speed, very low frequencies, long tail into nightly ambience	00:02:24.065	MKH8090	2	96/24
commuter train from left_08_WideAB.wav	commuter train from left, rumble in distance, medium speed, very low frequencies, long tail into nightly ambience	00:02:24.065	MKH8040	2	96/24
commuter train from left_09_MS.wav	commuter train from left, arrival and departure, squeaking breaks, departure, roaring engine, low rumble, another train stops in long distance during tail	00:05:14.491	MKH3040	2	96/24

commuter train from left_09_ORTF.wav	commuter train from left, arrival and departure, squeaking breaks, departure, roaring engine, low rumble, another train stops in long distance during tail	00:05:14.491	MKH8090	2	96/24
commuter train from left_09_WideAB.wav	commuter train from left, arrival and departure, squeaking breaks, departure, roaring engine, low rumble, another train stops in long distance during tail	00:05:14.491	MKH8040	2	96/24
commuter train from left_10_MS.wav	night ambience, owl calls, trafo hum, commuter train from left, very low rumble, rhythmical whine, hollow wheel sound, decelerates to stop at station in distance	00:02:36.229	MKH3040	2	96/24
commuter train from left_10_ORTF.wav	night ambience, owl calls, trafo hum, commuter train from left, very low rumble, rhythmical whine, hollow wheel sound, decelerates to stop at station in distance	00:02:36.229	MKH8090	2	96/24
commuter train from left_10_WideAB.wav	night ambience, owl calls, trafo hum, commuter train from left, very low rumble, rhythmical whine, hollow wheel sound, decelerates to stop at station in distance	00:02:36.229	MKH8040	2	96/24
commuter train from right_01_MS.wav	commuter train from right, very low rumble from engine, metallic grinding from wheels, long tail, train stops in large distance	00:01:58.933	MKH3040	2	96/24
commuter train from right_01_ORTF.wav	commuter train from right, very low rumble from engine, metallic grinding from wheels, long tail, train stops in large distance	00:01:58.933	MKH8090	2	96/24
commuter train from right_01_WideAB.wav	commuter train from right, very low rumble from engine, metallic grinding from wheels, long tail, train stops in large distance	00:01:58.933	MKH8040	2	96/24
commuter train from right_04_MS.wav	commuter train from right, low rumble, airplane-like sound, strident engine howl, strong rumble, some squeaks during long tail into river ambience, light waves	00:02:03.784	MKH3040	2	96/24
commuter train from right_04_ORTF.wav	commuter train from right, low rumble, airplane-like sound, strident engine howl, strong rumble, some squeaks during long tail into river ambience, light waves	00:02:03.784	MKH8090	2	96/24
commuter train from right_04_WideAB.wav	commuter train from right, low rumble, airplane-like sound, strident engine howl, strong rumble, some squeaks during long tail into river ambience, light waves	00:02:03.784	MKH8040	2	96/24

commuter train from right_05_MS.wav	commuter train from right, rumble, hiss, dull hits from rails, fade out to natural river ambience	00:02:03.843	MKH3040	2	96/24
commuter train from right_05_ORTF.wav	commuter train from right, rumble, hiss, dull hits from rails, fade out to natural river ambience	00:02:03.843	MKH8090	2	96/24
commuter train from right_05_WideAB.wav	commuter train from right, rumble, hiss, dull hits from rails, fade out to natural river ambience	00:02:03.843	MKH8040	2	96/24
commuter train from right_06_MS.wav	commuter train from right, medium speed, howling engine, some wheel squeaks, hollow sound, distant bangs from rail joints, very distant traffic ambience	00:01:32.402	MKH3040	2	96/24
commuter train from right_06_ORTF.wav	commuter train from right, medium speed, howling engine, some wheel squeaks, hollow sound, distant bangs from rail joints, very distant traffic ambience	00:01:32.402	MKH8090	2	96/24
commuter train from right_06_WideAB.wav	commuter train from right, medium speed, howling engine, some wheel squeaks, hollow sound, distant bangs from rail joints, very distant traffic ambience	00:01:32.402	MKH8040	2	96/24
commuter train from right_07_MS.wav	commuter train from right, slow speed, low rumble reflections from left, otherworldly reso sweep, long tail into night with very distant owl calls	00:02:50.784	MKH3040	2	96/24
commuter train from right_07_ORTF.wav	commuter train from right, slow speed, low rumble reflections from left, otherworldly reso sweep, long tail into night with very distant owl calls	00:02:50.784	MKH8090	2	96/24
commuter train from right_07_WideAB.wav	commuter train from right, slow speed, low rumble reflections from left, otherworldly reso sweep, long tail into night with very distant owl calls	00:02:50.784	MKH8040	2	96/24
commuter train from right_08_MS.wav	commuter train starts distant right, accelerates during pass by, medium speed, night ambience, distant owl calls	00:01:59.210	MKH3040	2	96/24
commuter train from right_08_ORTF.wav	commuter train starts distant right, accelerates during pass by, medium speed, night ambience, distant owl calls	00:01:59.210	MKH8090	2	96/24

commuter train from right_08_WideAB.wav	commuter train starts distant right, accelerates during pass by, medium speed, night ambience, distant owl calls	00:01:59.210	MKH8040	2	96/24
commuter train from right_09_MS.wav	commuter train from right, phasey jet-like whoosh, low rumble, night ambience, distant trafo hum	00:01:23.667	MKH3040	2	96/24
commuter train from right_09_ORTF.wav	commuter train from right, phasey jet-like whoosh, low rumble, night ambience, distant trafo hum	00:01:23.667	MKH8090	2	96/24
commuter train from right_09_WideAB.wav	commuter train from right, phasey jet-like whoosh, low rumble, night ambience, distant trafo hum	00:01:23.667	MKH8040	2	96/24
commuter train from right_10_MS.wav	commuter train from right, medium distant, rumble, strident metallic sound, very distant traffic ambience	00:01:09.059	MKH3040	2	96/24
commuter train from right_10_ORTF.wav	commuter train from right, medium distant, rumble, strident metallic sound, very distant traffic ambience	00:01:09.059	MKH8090	2	96/24
commuter train from right_10_WideAB.wav	commuter train from right, medium distant, rumble, strident metallic sound, very distant traffic ambience	00:01:09.059	MKH8040	2	96/24
commuter train from right_11_MS.wav	commuter train from right, permanent squeaks, some rustling leaves from close tree, long tail	00:01:36.483	MKH3040	2	96/24
commuter train from right_11_ORTF.wav	commuter train from right, permanent squeaks, some rustling leaves from close tree, long tail	00:01:36.483	MKH8090	2	96/24
commuter train from right_11_WideAB.wav	commuter train from right, permanent squeaks, some rustling leaves from close tree, long tail	00:01:36.483	MKH8040	2	96/24
commuter train from right_12_MS.wav	commuter train from right, long ascending, engine hum, ventilation whine, resonant tone, squeaks, very long tail	00:02:40.030	MKH3040	2	96/24

commuter train from right_12_ORTF.wav	commuter train from right, long ascending, engine hum, ventilation whine, resonant tone, squeaks, very long tail	00:02:40.030	MKH8040	2	96/24
commuter train from right_12_WideAB.wav	commuter train from right, long ascending, engine hum, ventilation whine, resonant tone, squeaks, very long tail	00:02:40.030	MKH8090	2	96/24
Freight Trains					
freight train from left_01_MS.wav	long freight train from left, low rumble, squeaking wheels at rail bend, hollow tone from wagon wheels	00:02:50.464	MKH3040	2	96/24
freight train from left_01_ORTF.wav	long freight train from left, low rumble, squeaking wheels at rail bend, hollow tone from wagon wheels	00:02:50.464	MKH8090	2	96/24
freight train from left_01_WideAB.wav	long freight train from left, low rumble, squeaking wheels at rail bend, hollow tone from wagon wheels	00:02:50.464	MKH8040	2	96/24
freight train from left_02_MS.wav	freight train from left, reduces speed, squeaks, hollow reflections of engine noise, very long tail, soft sound	00:03:00.995	MKH3040	2	96/24
freight train from left_02_ORTF.wav	freight train from left, reduces speed, squeaks, hollow reflections of engine noise, very long tail, soft sound	00:03:00.995	MKH8090	2	96/24
freight train from left_02_WideAB.wav	freight train from left, reduces speed, squeaks, hollow reflections of engine noise, very long tail, soft sound	00:03:00.995	MKH8040	2	96/24
freight train from left_03_MS.wav	freight train from left, low rumble, phasing echoes, wheel chatter, long tail, soft sound	00:02:35.514	MKH3040	2	96/24
freight train from left_03_ORTF.wav	freight train from left, low rumble, phasing echoes, wheel chatter, long tail, soft sound	00:02:35.514	MKH8090	2	96/24

freight train from left_03_WideAB.wav	freight train from left, low rumble, phasing echoes, wheel chatter, long tail, soft sound	00:02:35.514	MKH8040	2	96/24
freight train from left_04_MS.wav	freight train from left, long approach, rumble, hollow sound, rattling wheels, long tail	00:02:51.000	MKH3040	2	96/24
freight train from left_04_ORTF.wav	freight train from left, long approach, rumble, hollow sound, rattling wheels, long tail	00:02:51.000	MKH8090	2	96/24
freight train from left_04_WideAB.wav	freight train from left, long approach, rumble, hollow sound, rattling wheels, long tail	00:02:51.000	MKH8040	2	96/24
freight train from left_05_MS.wav	freight train from left, medium speed, hollow sound, whining engine, wheel squeaks, rattle from rail joints, long tail	00:02:19.756	MKH3040	2	96/24
freight train from left_05_ORTF.wav	freight train from left, medium speed, hollow sound, whining engine, wheel squeaks, rattle from rail joints, long tail	00:02:19.756	MKH8090	2	96/24
freight train from left_05_WideAB.wav	freight train from left, medium speed, hollow sound, whining engine, wheel squeaks, rattle from rail joints, long tail	00:02:19.756	MKH8040	2	96/24
freight train from left_06_MS.wav	light freight train from left, long ascending, squeaks, strong resonant sound and rumble, long tail	00:02:42.314	MKH3040	2	96/24
freight train from left_06_ORTF.wav	light freight train from left, long ascending, squeaks, strong resonant sound and rumble, long tail	00:02:42.314	MKH8090	2	96/24
freight train from left_06_WideAB.wav	light freight train from left, long ascending, squeaks, strong resonant sound and rumble, long tail	00:02:42.314	MKH8040	2	96/24
freight train from left_07_AB.wav	car train from left, medium speed, whining engine tone, wheel grinding, rhythmical hits at rail joints, soft sound	00:01:52.264	MKH3040	2	96/24

freight train from left_07_MS.wav	car train from left, medium speed, whining engine tone, wheel grinding, rhythmic hits at rail joints, soft sound	00:01:52.264	MKH8090	2	96/24
freight train from left_07_ORTF.wav	car train from left, medium speed, whining engine tone, wheel grinding, rhythmic hits at rail joints, soft sound	00:01:52.264	MKH8040	2	96/24
freight train from left_08_MS.wav	freight train from left, long ascending from steady tone, howling engine, squaking wagons, distant deceleration and speed up, pitch down tone, distant howl, fade into nightly river ambience	00:02:51.516	MKH3040	2	96/24
freight train from left_08_ORTF.wav	freight train from left, long ascending from steady tone, howling engine, squaking wagons, distant deceleration and speed up, pitch down tone, distant howl, fade into nightly river ambience	00:02:51.516	MKH8090	2	96/24
freight train from left_08_WideAB.wav	freight train from left, long ascending from steady tone, howling engine, squaking wagons, distant deceleration and speed up, pitch down tone, distant howl, fade into nightly river ambience	00:02:51.516	MKH8040	2	96/24
freight train from left_09_MS.wav	heavy freight train from left, long approach, reflections from rock face, decent hits from a single wagon wheel, low rumble, some brighter tones toward end of train, long tail into natural ambience	00:04:20.897	MKH3040	2	96/24
freight train from left_09_ORTF.wav	heavy freight train from left, long approach, reflections from rock face, decent hits from a single wagon wheel, low rumble, some brighter tones toward end of train, long tail into natural ambience	00:04:20.897	MKH8090	2	96/24
freight train from left_09_WideAB.wav	heavy freight train from left, long approach, reflections from rock face, decent hits from a single wagon wheel, low rumble, some brighter tones toward end of train, long tail into natural ambience	00:04:20.897	MKH8040	2	96/24
freight train from left_10_MS.wav	freight train from left, distant chatter, long ascend, wheel chatter	00:02:34.816	MKH3040	2	96/24
freight train from left_10_ORTF.wav	freight train from left, distant chatter, long ascend, wheel chatter	00:02:34.816	MKH8090	2	96/24
freight train from left_10_WideAB.wav	freight train from left, distant chatter, long ascend, wheel chatter	00:02:34.816	MKH8040	2	96/24

freight train from left_11_MS.wav	freight train from left, very long ascend, metallic wheel sound, wall of thunder, ultra long tail into nightly ambience	00:04:53.133	MKH3040	2	96/24
freight train from left_11_ORTF.wav	freight train from left, very long ascend, metallic wheel sound, wall of thunder, ultra long tail into nightly ambience	00:04:53.133	MKH8090	2	96/24
freight train from left_11_WideAB.wav	freight train from left, very long ascend, metallic wheel sound, wall of thunder, ultra long tail into nightly ambience	00:04:53.133	MKH8040	2	96/24
freight train from left_12_MS.wav	very distant freight train from left, howling engine, long sustain stage with metallic sound from wheels, jet-like soundwall, metallic wheel sound rises again in tail	00:02:53.014	MKH3040	2	96/24
freight train from left_12_ORTF.wav	very distant freight train from left, howling engine, long sustain stage with metallic sound from wheels, jet-like soundwall, metallic wheel sound rises again in tail	00:02:53.014	MKH8090	2	96/24
freight train from left_12_WideAB.wav	very distant freight train from left, howling engine, long sustain stage with metallic sound from wheels, jet-like soundwall, metallic wheel sound rises again in tail	00:02:53.014	MKH8040	2	96/24
freight train from left_13_MS.wav	heavy freight train from left, medium distant, approach with rumble, long sustain, strident sound, some subtle wheel clatter, very long tail into nightly ambience	00:03:46.377	MKH3040	2	96/24
freight train from left_13_ORTF.wav	heavy freight train from left, medium distant, approach with rumble, long sustain, strident sound, some subtle wheel clatter, very long tail into nightly ambience	00:03:46.377	MKH8090	2	96/24
freight train from left_13_WideAB.wav	heavy freight train from left, medium distant, approach with rumble, long sustain, strident sound, some subtle wheel clatter, very long tail into nightly ambience	00:03:46.377	MKH8040	2	96/24
freight train from left_14_MS.wav	very distant freight train from left, moderate speed, long sustain stage, howling engine, resonant tone	00:01:58.174	MKH3040	2	96/24
freight train from left_14_ORTF.wav	very distant freight train from left, moderate speed, long sustain stage, howling engine, resonant tone	00:01:58.174	MKH8090	2	96/24

freight train from left_14_WideAB.wav	very distant freight train from left, moderate speed, long sustain stage, howling engine, resonant tone	00:01:58.174	MKH8040	2	96/24
freight train from left_15_MS.wav	freight train from left, medium distant, metallic but smooth sound, long tail	00:01:28.436	MKH3040	2	96/24
freight train from left_15_ORTF.wav	freight train from left, medium distant, metallic but smooth sound, long tail	00:01:28.436	MKH8090	2	96/24
freight train from left_15_WideAB.wav	freight train from left, medium distant, metallic but smooth sound, long tail	00:01:28.436	MKH8040	2	96/24
freight train from left_16_MS.wav	very distant freight train from left, medium speed, howling engines during long sustain, changes to more resonant tone, some washy jet-like sounds	00:02:02.821	MKH3040	2	96/24
freight train from left_16_ORTF.wav	very distant freight train from left, medium speed, howling engines during long sustain, changes to more resonant tone, some washy jet-like sounds	00:02:02.821	MKH8090	2	96/24
freight train from left_16_WideAB.wav	very distant freight train from left, medium speed, howling engines during long sustain, changes to more resonant tone, some washy jet-like sounds	00:02:02.821	MKH8040	2	96/24
freight train from left_17_MS.wav	freight train from left, medium distant, strident resonance from wheels, rumble, long sustain stage, very long tail into nightly ambience	00:03:04.196	MKH3040	2	96/24
freight train from left_17_ORTF.wav	freight train from left, medium distant, strident resonance from wheels, rumble, long sustain stage, very long tail into nightly ambience	00:03:04.196	MKH8090	2	96/24
freight train from left_17_WideAB.wav	freight train from left, medium distant, strident resonance from wheels, rumble, long sustain stage, very long tail into nightly ambience	00:03:04.196	MKH8040	2	96/24
freight train from right_01_MS.wav	long freight train from right, hollow sound, track rumble, some squeaks, long tail	00:02:50.000	MKH3040	2	96/24

freight train from right_01_ORTF.wav	long freight train from right, hollow sound, track rumble, some squeaks, long tail	00:02:50.000	MKH8090	2	96/24
freight train from right_01_WideAB.wav	long freight train from right, hollow sound, track rumble, some squeaks, long tail	00:02:50.000	MKH8040	2	96/24
freight train from right_04_MS.wav	long freight train from right, long ascending, bright resonant sound from wheels, howling engine, clatter, very long tail	00:03:25.805	MKH3040	2	96/24
freight train from right_04_ORTF.wav	long freight train from right, long ascending, bright resonant sound from wheels, howling engine, clatter, very long tail	00:03:25.805	MKH8090	2	96/24
freight train from right_04_WideAB.wav	long freight train from right, long ascending, bright resonant sound from wheels, howling engine, clatter, very long tail	00:03:25.805	MKH8040	2	96/24
freight train from right_05_MS.wav	heavy freight train from right, very long ascending, moderate speed, resonant hiss, wagon clatter, very long tail with distinct sustain stages	00:04:23.869	MKH3040	2	96/24
freight train from right_05_ORTF.wav	heavy freight train from right, very long ascending, moderate speed, resonant hiss, wagon clatter, very long tail with distinct sustain stages	00:04:23.869	MKH8090	2	96/24
freight train from right_05_WideAB.wav	heavy freight train from right, very long ascending, moderate speed, resonant hiss, wagon clatter, very long tail with distinct sustain stages	00:04:23.869	MKH8040	2	96/24
freight train from right_06_MS.wav	long freight train from right, long ascending, resonant sound, very long tail with bangs from rail joints	00:03:41.525	MKH3040	2	96/24
freight train from right_06_ORTF.wav	long freight train from right, long ascending, resonant sound, very long tail with bangs from rail joints	00:03:41.525	MKH8090	2	96/24
freight train from right_06_WideAB.wav	long freight train from right, long ascending, resonant sound, very long tail with bangs from rail joints	00:03:41.525	MKH8040	2	96/24

freight train from right_07_MS.wav	freight train from right, long ascending, steady tone, long tail into calm night	00:02:33.785	MKH3040	2	96/24
freight train from right_07_ORTF.wav	freight train from right, long ascending, steady tone, long tail into calm night	00:02:33.785	MKH8090	2	96/24
